Toxicogenomics and Predictive Toxicology
Laboratory, CSIR-Indian Institute of
Toxicology Research, Vishvigyan Bhawan,
31, Mahatma Gandhi Marg, Post Box No.
80, Lucknow 226 001, Uttar Pradesh, INDIA

WORK EXPERIENCE

EDUCATION

Ph. D. Biochemistry

DOCTORAL RESEARCH

CSIR-Central Drug Research Institute, Lucknow with
Dr. Madhu Dikshit

POST-DOCTORAL RESEARCH

CSIR-Centre for Cellular and Molecular Biology, Hyderabad with
Late Dr. Lalji Singh

AREA OF RESEARCH INTEREST

Neurobiology of Parkinson's disease

MEMBERSHIP IN THE PROFESSIONAL SOCIETIES:

Indian Society of Cell Biology and American Chemical Society

RECOGNIZED GUIDE/CO-GUIDE FOR PH.D

Nine Indian Universities, including Banaras Hindu University and
Academy of Scientific and Innovative Research (AcSIR)

MEMBER ON THE EDITORIAL BOARD OF THE JOURNALS

12

GUEST EDITOR

(Special Issues on "Neurodegeneration: Etiologies and New
Therapies" and "Neurodegeneration: Etiologies and New
Therapies 2016" for BioMed Research International)

AD-HOC REVIEWER OF THE SCIENTIFIC JOURNALS

More than 60

AD-HOC REVIEWER OF THE E-BOOKS

2

AD-HOC REVIEWER OF THE RESEARCH GRANTS

All Major Indian Funding Agencies, Dr. Hadwen Trust for Humane
Research, United Kingdom, The Research Council, Oman and
Medical Research Council, South Africa

COMPLETED GRANT- IN-AID PROJECTS

Principal Investigator: 6; Co-Principal Investigator: 4, CSIR
Network/Supra-Institutional Projects (Nodal/Participant):3

ONGOING GRANT-IN-AID PROJECTS

Principal Investigator: 2

STUDENTS COMPLETED PH. D

15

RESEARCH PUBLICATIONS IN SCI INDEXED JOURNALS

70

INVITED LECTURES DELIVERED IN THE CONFERENCES/SYMPOSIA

12

SCIENTIFIC SESSION CHAIRED IN THE INTERNATIONAL CONFERENCE

1
